Bearing Fruit That Lasts

In John 15 Jesus says **I am the Vine**. He calls us to remain in the vine so that we can bear the fruit that comes from Jesus, the vine. Some of the fruit listed in this chapter is **love** and **joy**. Jesus says it is MY love and MY joy that he wants to give us when we remain in him. We need this fruit, and the troubled world needs it even more. This fruit is to be lasting fruit. This fruit grows when we keep up a life-giving friendship with Jesus, and it leads to us flourishing in a prayerful relationship with Jesus. God bless us today as we hear his Word, and the Holy Spirit grows this fruit in us and blesses the world through us.

[Thank You From The Family Hub](#)

Last year our congregation raised \$5,644 to support the work of the Family Hub at Ingle Farm.

Due to financial pressures many families in the area cannot afford to take their children on outings. Some of the money we raised was used to help fund a school holiday Family Fun Day.

This day was attended by over 700 community members - 250 adults and over 460 children. They consumed 400 sausages, 20 loaves of bread, 410 bottles of water and 250 Zooper Doopers. Entertainment included a petting zoo, face painting, jumping castle and Magician.

Besides the fun enjoyed by the participants it enabled the Family Hub to develop links into the community and assess the many needs in the local community -ranging from how to be a single dad, to how to manage the mental load of being a parent, to feeling good about parenthood and supporting behaviors of neurodiverse children. The information gained will inform the Hub of support programmes needed.

The email from the Kerry MaGrath Manager of the Family Hub concluded with "Please share with your community as it shows just how valuable their contributions are and we couldn't do these days without your support.

[Another Great Food Collection](#)

Our great support for Lutheran Care's work in supporting struggling families continued with another fantastic food collection in April. Many families and individuals will really appreciate your generosity when they receive their food hampers. Thank you for your continued support.

Growing Faith at Home

Loving one another isn't always easy. Especially if we feel that we haven't got much 'in the tank' to share with others. God longs to top us up with his limitless supply of love. That way we can share it in turn with others. Have a look at this week's resource for some ideas to share 'love' with others in your family. On the topic of love, have you heard of the 5 love languages? These 'languages' describe different ways that people receive and express love in a relationship. They include words of affirmation, quality time, touch, acts of service and receiving gifts. Take a few minutes to do the quiz and see what styles you, your family and your friends prefer. Just google '5 love languages' to find the website or click on this link: <https://5lovelanguages.com/quizzes/love-language>
